

## CSEF Registration Policy

The purpose of this policy is to outline the fee structure for the students registering for the Colorado Science & Engineering Fair and what each student receives for that fee.

- The fee for an individual project to compete in the Colorado Science and Engineering Fair is \$40.
- The fee for a team project with two participating students is \$80.
- The fee for a team project with three participating students is \$120.
- Each Regional Science Fair is required to designate at least 1 Adult-in-Charge who will be contacted in the case of an emergency or questions during the CSEF. There is no fee for this registration.
- All registrants will receive a registration packet that includes:
  - Nametag
  - CSEF Program
  - CSEF T-shirt
  - CSEF pen
  - CSEF pin
  - Project Set-Up Form
  - CSEF Survey Links
