Regional Science Fair Project Allocation Policy

The number of projects a Regional Science Fairs may bring to the Colorado Science and Engineering Fair will be based on the number of projects that attend (not register for) the regional fair in 2024 as outlined below:

Number of Projects at RSF	Number of Projects at CSEF
<50	12
50 − 75	19
76 − 100	25
101 − 125	31
126 − 150	37
151 − 175	44
176 − 200	50
>200	50

Regional Fair Directors may request additional spots on a case-by-case basis by contacting the CSEF Director immediately after identifying the need, but no later than March 1st.
