CSEF Registration Deadlines

CSEF Finalists need to complete the registration process as outlined on page 5 by the deadline listed below for their Regional Science Fair. Failure to register by the deadline listed below for your regional science fair may forfeit your spot in this year's Colorado Science & Engineering Fair competition.

Check with your Regional Fair Director to get instructions and deadlines for submitting the ISEF or CSEF Middle School forms and the Finalist Permission/Verification form to them.

ALL CSEF Finalists MUST also submit their abstracts online as directed in the instructions on page 5. Failure to do so will compromise your project's pre-review by the judging captains.
