

Middle School - Student Researcher Checklist Form (1A)

This form is required for ALL projects and MUST be completed PRIOR to experimentation.

This form is to be completed by the Student Researcher/Team Leader before submitting it with the Research Proposal, Approval Form 1B, Risk Assessment Form 3 and other relevant forms to the Adult Sponsor for approval.

1. This project will be an ☐ **Individual** / ☐ **Team** project. The student(s) working on this project will be:

Individual/Team Leader: _____ Grade: _____

Email: _____ Phone: _____

Team Member 1: _____ Grade: _____

Team Member 2: _____ Grade: _____

2. Project Title: _____

3. School: _____ School Phone: _____

School's Physical Address: _____

4. Adult Sponsor: _____ Email: _____

MUST match person signing Form 1!

5. I/We will be conducting experimentation at the following work site(s):
(check ALL that apply & explain what will be done at each site in the Research Proposal)

☐ Research Institution ☐ School ☐ Field ☐ Home ☐ Other: _____

6. Non-school and non-home work site physical address(es) are:
(regulated research institutions, industrial settings, field sites – attach additional pages as needed)

Site 1 Name: _____ Site 2 Name: _____

Site 1 Address: _____ Site 2 Address: _____

Site 1 Phone Number: _____ Site 2 Phone Number: _____

Site 1 Email: _____ Site 2 Email: _____

7. This project ☐ **does** / ☐ **does not** require PRIOR SRC or IRB approval.
I/We plan on starting our experimentation/data collection/engineering of the project on: _____

(mm/dd/yy)

8. The **ACTUAL** experimentation/data collection/engineering designing began and ended on the following dates
(this can be filled in once the project is completed):

ACTUAL Start Date (mm/dd/yy)

ACTUAL End Date (mm/dd/yy)

9. This project ☐ **is** / ☐ **is not** a continuation or progression from a previous year. If yes, a Continuation/Progression Form 7 is required along with all previous years' abstracts and research proposals or summaries.

10. I/We will be getting our data from the following sources:

☐ self-collected ☐ mentor collected ☐ publicly available ☐ Other: _____

(please describe or give URL – attach additional pages as needed)

Prepare a Research Proposal following the instructions on pages 11 & 12 and attach them to this form for review.
