

Middle School – Student Support Disclosure Form (2A)

This form is required for ALL projects and may be completed before or after experimentation.

It is important to fully disclose any support provided to you in the completion of the project. This disclosure provides acknowledgement and verification of the project. ONLY the people listed on this form may be acknowledged on your project board. Failure to disclose support may result in a revocation of any recognition.

Adult Support Disclosure: Please list the person serving in each role as applicable. If an individual served in multiple roles, list complete only one section completely and then list only their name in other roles. Attach additional pages as needed.

1. Adult Sponsor (required)			
Name:	Organization/School:	Email:	Phone:
Relationship to Student:	Expertise:	Contribution to the project:	Duration of support for project:

2. Direct Supervisor (required)			
Name:	Organization/School:	Email:	Phone:
Relationship to Student:	Expertise:	Contribution to the project:	Duration of support for project:

3. Qualified Scientist/Mentor			
Name:	Organization/School:	Email:	Phone:
Relationship to Student:	Expertise:	Contribution to the project:	Duration of support for project:

4. Additional Supporting Adults (graduate students, relatives, external experts, etc.)			
Name:	Organization/School:	Email:	Phone:
Relationship to Student:	Expertise:	Contribution to the project:	Duration of support for project:

Paid Support Disclosure: I/We and/or my/our parents ☐ **did** / ☐ **did not** pay for any support for this project.

If you paid for support for the project, please explain (including any fees, tuition and/or payment to any of the individuals listed above and/or to any program that provided any support for this project, including lab space, mentorship, documentation preparation, etc.).

AI Usage Disclosure: I/We ☐ **did** / ☐ **did not** use Generative AI in this project.

If you did use Generative AI in the project, provide the AI Prompt Log containing the prompts and responses from the Generative AI or AI Wrapper used. Be sure to remove anything that contains personal identifying information about yourself or others. If you do not have access to your prompt log, please provide a summary of the prompts and the responses in your project summary.

I certify that I/We have presented the full truth regarding all of the support received in the completion of this research project and have not omitted any pertinent information nor presented false information.
