

Middle School - Research Institution/Industrial Setting Form (2C)

This form is only required for those projects conducted at a work site that is not a school, home or field and **MUST** be completed **AFTER** experimentation.

This form is to be completed by the supervising adult who is affiliated with the regulated research institution, industrial setting or any work site other than home, school or field and who has first-hand knowledge of the student's work done there. The Student Researcher/Team Leader should NOT complete any part of this form!

Student's Name(s): _____

Project Title: _____

Research was supported at my work site

1. Describe the Student Researcher experience at your work site (check ALL that apply):

- Used equipment in my lab and/or received data ☐ Yes ☐ No
- Had minimal interaction with our research group ☐ Yes ☐ No
- Was mentored by me or someone else from our group ☐ Yes ☐ No
- Worked on a sub-set of our ongoing research ☐ Yes ☐ No
- Had a project independent from our group ☐ Yes ☐ No

2. Please describe the independent and/or creative work done by the Student Researcher(s) in any phase of the project, but particularly in developing the hypothesis or engineering goals of the project.

3. What was the duration of your support of this students' project?

4. Detail the Student Researcher(s)' role in conducting the research (i.e. data collection, specific procedures performed, etc.). Differentiate what the Student Researcher(s) observed and what the Student Researcher(s) actually did.

5. Did the Student Researcher(s) work on the project as part of a group? ☐ Yes ☐ No
Were there other high school students present? If yes, please list the student's names and describe how their work was related or different from the work of this project.

6. If this project is under a grant and needs to be acknowledged, please list the grant statement here.

Institution Representative:

I attest that the Student Researcher has conducted the work as indicated above and that any required review and approval by institutional regulatory boards (IRB/IACUC/IBC) have been obtained. Copies are attached if applicable.

I further acknowledge that the Student Researcher will be presenting this work publicly in competition and I have communicated with the Student Researcher regarding requirements for my review and/or restrictions of what is publicized.
